CHARGE

Hanna LECZYCKA, a dentist, Lek Dent Medical University of Gdansk 1988 is summoned to appear before the Professional Conduct Committee on 13 October 2025 for an inquiry into the following charge:

"That being a registered dentist:

1. On or around 30 March 2021 you failed to provide Patient A with an adequate standard of care in that you:

    i. Did not take and/or did not record an adequate history of Patient A's complaint; and/or
    ii. Did not undertake and/or did not record an adequate extra-oral examination of Patient A; and/or
    iii. Did not undertake and/or did not record an adequate soft tissue examination of Patient A; and/or
    iv. Did not conduct and/or did not record any adequate assessment of the area around any of the wisdom teeth.

2. On or around 30 March 2021 and/or 20 June 2022, you produced inaccurate radiographic reports in that you:

    i. Recorded on 30 March 2021 the presence of a deciduous ULE with no adult teeth underneath, when the radiographs were of the lower quadrants; and/or
    ii. Recorded on 20 June 2022 "UL* wisdom erupting not as much room", when the radiographs were of the lower quadrants.

3. On or around 30 March 2021, you failed to conduct appropriate pre-treatment investigations in relation to the proposed extraction on Patient A in that you did not take periapical radiographs that showed the entirety of the roots of LL8 and/or LR8.

4. On or around 30 March 2021, you failed to provide an appropriate level of care to Patient A in that you:

    i. Did not establish and/or record an adequate diagnosis; and/or
    ii. Did not formulate and/or record an adequate treatment plan; and/or
    iii. Told Patient A that a hospital would not accept a referral for her case because the removal of wisdom teeth carried a risk of nerve damage; and/or
    iv. Did not offer Patient A a referral to a secondary setting; and/or
    v. Offered Patient A the option of an operculectomy as possible treatment.

5. On or around 30 March 2021, you did not obtain Patient A's informed consent for the prospective extraction treatment in that you:

    i. Did not advise Patient A of the risks of pain associated with such treatment; and/or

ii. Did not advise Patient A of swelling associated with such treatment; and/or
iii. Did not advise Patient A of the risks of bruising associated with such treatment; and/or
iv. Did not advise Patient A of the risks of trismus (limited mouth opening) associated with such treatment.

6. On or around 31 March 2022, you failed to maintain an appropriate standard of record keeping in that you did not make a clinical record of the appointment that took place on that date.

7. On or around 20 June 2022, you failed to maintain appropriate record keeping in that you did not clearly indicate that a record made during this period was referring to an appointment on or around 30 March 2021.

8. Your conduct at allegation 7 was:

i. Misleading; and/or
ii. Dishonest, in that you sought to present the retrospective record as being contemporaneous.

And, that by reason of the facts alleged, your fitness to practise is impaired by reason of misconduct."
