

Hearing held in private

Name:	ANDREWS, Jonathan Leigh [Registration no: 61959]
Type of case:	Health Committee (review)
Outcome:	Indefinite suspension
Date:	7 January 2013

Ms Steele

This is a review of an order for suspension which was first imposed by the Health Committee on 4 April 2006 and has been renewed periodically since then. The matter has now been before the Health Committee on eleven previous occasions. The Committee has considered all the information before it, including the submissions you have made on behalf of the General Dental Council (GDC). It has accepted the advice of the Legal Adviser and the Medical Adviser.

The Committee has determined that it is necessary for the protection of the public and in Mr Andrews own best interests to suspend him from the Dentists Register indefinitely.

That concludes the case.
